

BELL COUNTY COMPOSITE SQUADRON  
CIVIL AIR PATROL  
UNITED STATES AIR FORCE AUXILIARY  
7720-F AIRPORT ROAD  
TEMPLE, TX 76501

16 May 2022

From: Squadron CC

Subject: Cadet Cell Phone Policy

1. To maintain good order and discipline I am establishing a cell phone usage policy for all cadets participating in any Bell County Composite Squadron functions.
2. During the duration of any Squadron activity cadets may retain their cell phones but will not be authorized to use their phone unless it is deemed an emergency, or the usage has been previously coordinated with the Squadron Commander. If this policy is violated, the cadet will be asked to turn their phone over to the senior staff. The senior staff will place the phone in a sandwich bag with the cadet's name on it. The phone will be returned at the end of the activity. If the cadet's phone receives an emergency call, the phone will be returned immediately. Any Squadron activity director may consolidate all cadet phones in a secure location at their discretion unless a previous arrangement has been made.
3. This policy is for Bell County Composite Squadron and does not apply outside of a squadron sponsored activity.
4. The Point of Contact for this memorandum is Major Bradley Whitacre via email [Bradley.Whitacre@TXWG.CAP.GOV](mailto:Bradley.Whitacre@TXWG.CAP.GOV) or Phone (412) 215-9725.

*Bradley J. Whitacre*

Maj Bradley Whitacre, CAP  
Squadron Commander
